<p><b>August 2</b>  <b>Bible Verse</b>                      I am confident of this very thing, that He who began a good work in you will perfect it until the day of Jesus Christ.                      Philippians 1:6</p> <p>Memorize the bible verse. Practice by repeating it to your family members.</p>	<p><b>August 3</b>  <b>Prayer Walk</b>                      Have your family go walk around your school or the school in your neighborhood. Everyone should make a sentence prayer about different parts and people of the school: recess area, classrooms, teachers, office staff, etc.</p>	<p><b>August 4</b>  <b>All About Me</b>                      Draw a picture of yourself on the middle of a page. Write all around your picture the different abilities and gifts that God has placed in you.</p>	<p><b>August 5</b>  <b>Play Dough People</b>                      Mix 3 cups of flour, 2tbs of oil, and 1 ½ cups of water in a bowl. The person that guesses correctly will take their turn at acting out their gifts or abilities.</p>	<p><b>August 7</b>  <b>Sailboat Craft</b>                      Cut out some egg carton cups. This will be the boat. Cut out triangles from paper for the sail. Decorate the sail using markers. Run a toothpick through one side of the sail. Glue the bottom of the toothpick to the inside of the boat. You can add decorations like buttons or small items to the outside of the boat using glue. Make sure that the decorations are evenly distributed. Have fun sailing your boats in the sink or in the tub.</p>	<p><b>August 8</b>  <b>Ice Cream Sandwich</b>                      Use chocolate chip cookies or any favorite single layer cookies for this snack. Spread some ice cream on the flat side of the cookie. Make it no more than an inch thick. Top it off with another cookie. Smooth the ice cream around the edges using a butter knife. Individually wrap each cookie sandwich and place in the freezer.</p>
